

THE HEART OF KART

2017 IAME TRADE IN PROGRAM

Program Instructions

1. Verify your current Rotax package to make sure it's eligible for the trade in program. Your engine must be a **Rotax EVO** engine, or a **non-EVO Rotax engine with "lettered" cylinder**. Your engine package must be complete including but not limited to carb, fuel pump, electronics/wiring, battery, exhaust, radiator, hoses, etc. Your engine must have an official Rotax passport included. Engine and all components must be in good condition and in **good working order**. Multiple engine trades are accepted.
2. If your engine qualifies, **fill out the trade in form** at www.iameusaeast.com under Tech Docs, or www.iameusawest.com under Tech Docs. Fill out your name and address and provide your signature stating your engine package is in good working order. You can fill out your credit card details if you choose, or you can also call your credit card into the dealer. Check, cash and money order are also acceptable forms of payment. Please select the engine option you are choosing, and select your choice of the free MG tire set. Also, fill in the name of your current IAME dealer. If don't have an IAME dealer please select one in your area or leave blank and we can help direct you.
3. If you selected an IAME dealer on your form, please email IAME USA East(sales@iameusaeast.com) or IAME USA West(alexis@iameusawest.com) **according to the dealer's location** in IAME USA East or West territory using the map at the bottom of the trade in form. If you don't have an IAME dealer, please contact IAME USA East or West **according to your location**. When sending your email, please include "**IAME TRADE IN PROGRAM**" in the subject line.
4. IAME USA (East or West) will respond to you in the order your request was received with acceptance of your trade in request or if we require any more information to approve your trade request. Upon approval, IAME USA will send you additional instructions regarding the logistics of shipping/delivery of your Rotax engine and shipping/delivery of your new IAME engine package. Please note that customer is responsible for shipping/delivery of both engine packages and any applicable taxes. You will also be contacted by your selected IAME dealer for full payment prior to receipt of your new IAME engine.
5. Once you have received your new IAME engine, we urge you to contact your dealer regarding the new package and to get information on how they can further assist you with your new IAME engine package. Remember your dealer will be your lifeline for parts and information and they'd appreciate the opportunity to connect with you personally.
6. If you have any additional questions or concerns please direct them to sales@iameusaeast.com or alexis@iameusawest.com. We are very excited for you to experience the highest quality engines on the market and thank you for choosing IAME.
